Spotlight on BES

Students at Bailey Elementary School reach academic excellence by learning in a supportive and caring environment. In 2017, Bailey Elementary was one of 342 schools nationwide to become a U.S. Department of Education National Blue Ribbon School. BES students can participate in a variety of extracurricular activities including student council, study buddies, the technology club and yearbook. BES students also have the opportunity to participate in fine arts such as art, band, choir and orchestra.

Bailey Elementary teachers personalize learning for each student by building relationships. Families attend an open house before the school year, meet with teachers at conferences and receive regular communications about their child's progress. BES also holds community-building events throughout the year and has an active Parent Teacher Association (PTA).

“ ”

“The Bailey community is committed to supporting student growth throughout the elementary years. We do this by cultivating caring relationships between staff, parents and students and proactively teaching students to work hard, respect self and others and make everyone feel like they belong.”
